INFORMATION

Fault Finding & Diagnosis Fee – this is a **set fee** to **find** and diagnose the **fault / cause** of a problem and regardless of how long it takes the engineer to find the fault this fee will not change & if the repair is a simple one which doesn't require parts then you don't pay any extra.

Charges for repairs or any other work is per 1/2 hour plus materials.

Some work can be carried out on Estimated or *Fixed Prices. See Charges for more details.
